Mr. Louis D. Pane
Rahway Valley Railroad
Kenilworth, New Jersey

Dear Sir:

Congratulations Lou, you have succeeded in obtaining the title of the "Laziest Man on the Rahway Valley Railroad".

Business has been very, very bad for us these past six months and we no longer have room for any man who does not give us a day's work for a day's pay. From what I can personally observe of your activities while on company time, I do not believe you give this company three good hours' work out of eight. You claim to be eighteen years old, but, your ambition and rate of movement appear more like a man eighty years old.

May this letter serve as my first, last and only warning that if you do not shape up real quick and start acting like you're alive, you will not celebrate Halloween while in the employ of the Rahway Valley Railroad.

Very truly yours,

Robert G. Clark
President & General Manager
