Gentlemen:

Preparatory to the abandonment of non-productive trackage it is our wish to clear files of all obsolete agreements and contracts.

This is to advise that "Car Demurrage Average Agreement" dated April 15th, 1952, which became effective with your company on May 1st, 1952, is being terminated effective as of August 1st, 1956 as it no longer answers any purpose whatever.

Very truly yours
