November 19, 1917.

Mr. J. S. Caldwell,
Kenilworth,
New Jersey.

Dear Caldwell:-

Will you forward C 64572 and C 63875 to Springfield,
New Jersey, for the account of Fred Stone. It is my impression that
he intends these cars for the Chemical Company of America. They were
to have been diverted on the Central Railroad but through an over-
sight they have reached our line.

Very truly yours,

Louis Heller
