Mr. C. A. Miller, General Counsel,
American Short Line R.R. Assoc.,
Union Trust Building,
Washington, D. C.

Dear Mr. Miller:

Quite some time ago I received the enclosed invitation from you dealing with the Semi-Centennial of the Interstate Commerce Commission and the little get-up in the extreme top left hand corner so impressed me that I have held it on my desk ever since as it is my opinion that this would make a splendid letterhead for most any short line carrier.

Without a great deal of trouble would it be possible for you to tell me just who made this up for you.

With my very best regards, I remain,

Yours very truly,

Geo. A. Clark
Pres. & Gen'l Mgr.
